

2025 Jurassique Grenache Blanc

This wine is a vibe. A wild ride down a desert highway at dusk, riding shotgun with Hunter S. Thompson, destination unknown. No map, no plan, just go.

Vintage	2025
Varietal	Grenache Blanc
Appellation	California
Harvest	September 2025
Sugar	Zero
Acid	6.42 g/L
pH	3.32
Bottling	February 2026
Alcohol	12 %

Organically farmed
Always (and only) minimal Sulfites added.

Tasting Notes. Bright, zippy, and alive, our *Jurassique* Grenache Blanc hums with energy and vivid fruit. Cold-fermented naturally in stainless steel with no malolactic fermentation, this wine is a pure shot of acidity-driven energy.

The orange hue flashes like neon motel lights at dusk on a long desert highway, pulling you in before the nose hits, bold and layered, with mandarin, peach rings, and a splash of orange soda. The palate snaps into focus with Tarantino-like precision, razor acidity cutting through bright yuzu and fresh pear. There's energy here, tension, and a clean, mouthwatering drive. Untamed and unforgettable, this is a wine that lingers like a cult classic.
